

**August 2024 features update**

We've made some enhancements to SurfSeller and LiveShip which will be coming your way in the next few days. The new data you can store will also make upcoming features better.

## Product catalogue

### Suppliers and Supplier SKUs

Often suppliers will have their own SKU for a product, so now you can store the *Main supplier SKU*.

Base product information

Supplier reference	AAAB111	Brand	ACME	HS Code	630790:	Country of origin	United Kingdom
EAN	0999999999999	End of life EAN		QR Code data 1		QR Code data 2	
Buying Price	16.37 EUR	Dimensions	157 117 38 mm	Weight	89 g	Components	1
Main supplier		Main supplier SKU	<input type="text"/>	Product owner		Reporting category 1	

Notes

Also, you can now have multiple suppliers for a product, each with their own *Supplier SKU*. Access to the supplier list is from the (More) button. For LiveShip users the *Supplier SKU* is the default for Purchase orders and is also updated if changed during Purchase order creation.
