

January 2025 features update

Regulatory

We've extended the GPSR features by adding support for Magento, Shopify and WooCommerce.

Enable the setting in Channels > Settings (More settings) to have the information and links appended to your product description.

Send product/bind data (Risk of product data loss)

Send inventory updates

Send price updates

Send regulatory data

Retrieve and process orders

Responsible Person: ACME Corporation, Unit 2323, Niceplace, 11888PB, Netherlands
[Safety data sheet \[en_GB\]](#)
GHS codes: H0001, H0099

Fulfilment by Amazon

We've added support for Fulfilment by Amazon which is enabled on request. Orders count towards your usual transaction fee and we anticipate building on these features as experience is gained.

Channel identifiers

The Identifiers/categories section of the product catalogue now has lines for both merchant fulfilled and Amazon fulfilled (FBA) lines. The FBA line stores the corresponding FNSKU.

Active	Channel identifier	FNSKU	SKU for channel (Leave blank for auto) Use 0-9,a-z,A-Z,+,&.	
<input checked="" type="checkbox"/>	Merchant fulfilled	B03ACFJ3AC	51639390	Remove Internet Price history Channel updates
<input checked="" type="checkbox"/>	Amazon fulfilled	B03ACFJ3AC	XYA9ZJ6ZJP	OX-FI3K-FI3Q Remove Internet Price history Channel updates
<input checked="" type="checkbox"/>	Merchant fulfilled	P1P21P1P21	53906390	Remove Internet Price history Channel updates
<input checked="" type="checkbox"/>	Amazon fulfilled	P1P21P1P21	XOYAL7L7H	FI3K-FI3K-FI3Q Remove Internet Price history Channel updates
<input type="checkbox"/>	Merchant fulfilled	<input type="text"/>	<input type="text"/>	<input type="text"/>
